

AC Cradle

SC-170R

General

The SC-170R AC cradle is only for the BSM-1700 series bedside monitor. This AC cradle converts the AC power to DC power and supplies to the monitor.

Safety Information

 **CAUTION** A caution alerts the user to possible injury or problems with the instrument associated with its use or misuse such as instrument malfunction, instrument failure, damage to the instrument, or damage to other property.

Pay attention to all safety information in the Operator's Manual or Installation Guide.

 **CAUTION**
Use the SC-170R AC cradle for the BSM-1700 series bedside monitor. Do not mount any other instruments which are not specified.

This Safety and Performance Information is an extract from the general and safety information sections of the most recent edition of Operator's Manual or Installation Guide. Therefore, the contents of your Operator's Manual or Installation Guide may differ from those of this Safety and Performance Information. For detailed operating procedures, follow the instructions of your Operator's Manual or Installation Guide.
