

Unit Connection Cable

YS-096P2, YS-096P3

General

The YS-096P2 or YS-096P3 unit connection cable connects the unit connection socket on a QI-600P interface unit installed in a BSM-6000A/K series bedside monitor to the unit connection socket on a JA-690PA/JA-694PA data acquisition unit.

Safety Information

For safety information, refer to the Operator's Manual or Installation Guide of the device using this product.

This Safety and Performance Information is an extract from the general and safety information sections of the most recent edition of Operator's Manual or Installation Guide. Therefore, the contents of your Operator's Manual or Installation Guide may differ from those of this Safety and Performance Information. For detailed operating procedures, follow the instructions of your Operator's Manual or Installation Guide.
